## Personal Details

Citizenships: Turkish - Bulgarian

Languages: Turkish: Native, English: Upper-Intermediate, German: Elementary

Driver Licence: B - B1

## Career Goals

Using my experience and knowledge in web, mobile Full-stack development, I aim to create user-focused, high-performance, and innovative software. I bring strong communication, teamwork, and problem-solving skills to collaborate effectively and deliver impactful results.

## Professional Summary

Full-stack developer with expertise in ASP.NET MVC, React, and MSSQL. Known for exceptional problem-solving skills and a collaborative mindset, I excel in creating user-focused solutions that enhance performance. Proven ability to communicate effectively and adapt quickly to dynamic environments.

References available upon request from my managers at [McDonald's](#) [Aachen](#), Germany and [ResortQuest](#) [Berhany Beach, DE](#), where I significantly developed my stress management skills and the ability to learn quickly through hands-on experiences.

## Education

### Suleyman Demirel University

2018 – 2024

Bachelor's in Computer Engineering - GPA: 2.71/4.0

Isparta, Turkiye

### Klaipeda State College

2021

Bachelor's in Informatics Engineering - GPA: 3.4/4.0

Program: Erasmus+

Klaipeda, Lithuania

## International Programs

Erasmus+ Program

Klaipeda, Lithuania - 2021

Summer Work and Travel Program

Bethany Beach, DE - 2019

## Experience

### Freelance Search Engine Optimization Specialist

Remote

Gini Talent

NOV - Present 2024

- I conducted in-depth analysis of search engine algorithms to enhance user experience and maximize website visibility. By evaluating and aligning with industry best practices for search engine optimization, I contributed to the development and implementation of quality standards. Through this process, I gained a comprehensive understanding of search engine evaluation criteria and effectively applied these insights to improve website performance.

### Full-stack Developer Intern

Orhangazi, Bursa

Doktas Dokumculuk

AUG – OCT 2024

- During my internship at Doktas, I leveraged strong problem-solving skills to optimize the performance of web applications and improved collaboration with cross-functional teams to deliver responsive and user-friendly interfaces. By effectively managing priorities, I contributed to a 75% improvement in data access efficiency.
- Tools Used: RFID Card Integration, IIS, ASP.NET MVC, jQuery, Ajax, Ado.Net, MsSQL, C#, Bootstrap

## Certifications

---

**IELTS:** British Council, B2, Upper-Intermediate

July 2021
